MARCH / APRIL 2025

## 3M™ Speedglas™ G5-01 Welding Helmets with Adflo™ PAPR

High impact flip-up welding helmet designed for heavy-duty welding

Based on extensive input from welders working at high amperages who also grind frequently, the Speedglas™ G5-01 with Heavy-Duty Adflo™ PAPR is created to be customised to each individual welder's exact needs and situation.

- 170×104mm Flip-Up Grinding Visor
- True-View Optics
- Climate Control
- Extra Head & Neck Covers
- Optional Task Light
- Heavy-Duty Adflo PAPR
